

World Goa

- Pansy Zane

This is my third time going to the Annual World Goa, and I think this one is the best of the best! This time we had it at Springvale City Hall. The venue is pretty big and the bands were superb! We had two dances in one venue!

We had the modern pop DJ "A PROS" (Chriselle's favourite), and the classic Joe & his SOUL-MATES! Talking about the best ballroom kings and queens, it has to be Chris and Giselle! Gordon and Jan, Jim and Virginia, Kieran and Sylvia all rocked to the final hours!

Myself, William, Chriselle and a bunch of friends were dancing with A PROS! Wow William was so cool with his free styles and attracted a lot of female attentions!

The Indian food organized by Silver Platter is really good! Everyone loves the mango ice cream! It's a classic!

I would recommend to anyone who enjoys cultural events to give it a go! I'm sure World Goa Day is one of the events you won't forget!
